Telephone Conversation between Mark Jaworski and Gene Burger

On July 9, 2007, at 3:25 EDT, I, Mark Jaworski, received a telephone call from Gene Burger. Mr. Burger is the owner of the house at 1429 Flake Street in Elkhart, Indiana. Mr. Burger stated to me that he is currently renting the house at 1429 Flake Street to three (3) people (two adults and one child). He stated that he began renting the property to these people in early January, 2007. Currently, the only source of drinking water for these residents is from the private well located on this property.
